Contract Award – Nullagine Mill Refurbishment Project

GR Engineering Services Limited (ASX:GNG) (GR Engineering) is pleased to announce that it has been awarded a contract for the engineering, procurement and construction works with Millennium Minerals Ltd, a subsidiary of Novo Resources Corp. (Novo) associated with the Nullagine Gold Project, located in the Pilbara region of Western Australia.

The contract price is \$8.3 million and will be undertaken on a reimbursable cost basis. Millennium's mine and processing plant were shut-down in December 2019 and Novo is planning to restart the processing plant in early 2021. The scope of works includes the refurbishment and upgrade of the gravity circuit and associated facilities to enable operations to recommence.

Commenting on the award, GR Engineering's Managing Director, Mr Geoff Jones, said:

"GR Engineering is pleased to have been awarded the contract for the Nullagine Mill Refurbishment Project. We are looking forward to working with the Novo management team to successfully and safely deliver this project."

Ends.
