EPC Contract - Cosmos Nickel Concentrator Facility Upgrade

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that it has been awarded an engineering, procurement and construction (EPC) contract from Australian Nickel Investments Pty Ltd, a wholly owned subsidiary of Western Areas Limited (ASX: WSA) (Western Areas), for the upgrade of the existing nickel concentrator at the Cosmos Nickel Operations (the Project).

The Project is located 30 km north of Leinster in Western Australia. The contract sum is \$48 million and GR Engineering has commenced work immediately.

Commenting on the award, Mr Geoff Jones, Managing Director said:

“GR Engineering has a long history of working with the Western Areas management team and have a strong track record of delivering projects for Western Areas on time and on budget. GR Engineering is excited to work with Western Areas on another important project and we are looking forward to delivering safe and successful outcomes for the Project.”
