**Contract Extension – Upstream Production Solutions
Blacktip Gas Field / Yelcherr Gas Plant**

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that its wholly owned subsidiary, Upstream Production Solutions (Upstream PS), has been awarded a two year extension to its maintenance services contract with Eni Australia, the operator of the Blacktip Gas Field and associated production infrastructure (Contract). Upstream PS has been providing maintenance services to Eni Australia for the last three years.

Upstream PS' scope of services includes the administration and execution of maintenance activities and associated support in relation to the unmanned Blacktip Wellhead Platform and onshore Yelcherr Gas Plant.

Commenting on the award of the extension, GR Engineering's Managing Director, Geoff Jones said:

"Upstream PS has a well established track record in the supply of safe and efficient operations and maintenance services in Australia. We are excited that we have been given the opportunity to continue to support Eni Australia on this regionally significant project in the Northern Territory."

Ends.
